## **2019 Annual Security and Fire Safety Report**

### **Aquinas College**

Rooted in Catholic heritage, Aquinas College has a history founded on Dominican Tradition. Owned and administered by the Dominican Sisters of St. Cecilia Congregation, the history of the College actually began its remote preparation with the establishment of the Saint Cecilia Congregation in 1860 at the request of Nashville's second bishop, James Whelan, O.P. The College first began at the Motherhouse of the sisters in 1928 as Saint Cecilia Normal School for the education of the sisters to prepare them for their teaching apostolate. The school was affiliated with the Catholic University of America in 1929.

In 1961, the Saint Cecilia Normal School was replaced with Aquinas Junior College. Two significant milestones in the institution's history occurred at this point: the College was moved from Saint Cecilia Motherhouse to its present location on a beautiful 83-acre campus, and it was opened to the public. The first students registered were from nearby Saint Thomas Hospital School of Nursing.

In 1971, the College was granted accreditation by the Southern Association of Colleges and Schools to award the Associate Degree. In 1994, Aquinas Junior College changed its status to a four-year college when approval was given to offer a Bachelor of Arts degree in Interdisciplinary Studies (Teacher Education). Along with educating the young sisters of the Congregation, the College has provided area schools with lay teachers who have been prepared with a strong foundation professionally and spiritually. In 2012, Aquinas College received approval to offer graduate studies with Master's degrees in Education and Nursing Education.

In 2017, Aquinas College reconfigured in order to focus its academic programming on preparation of educators and to strengthen its service to Catholic school teachers, leaders, and catechists through spiritual and professional formation programs.

In addition to the current array of offerings in teacher preparation programs, past programs in nursing and other health care fields, business, and law enforcement represented the College's response to the permanent and changing educational needs of the Nashville community and

beyond. Sensitivity to the Church's urgent need for well-formed educators has prompted to College to focus all of its resources on the preparation of teachers at the undergraduate and graduate levels. Along with educating the young sisters of the Congregation, the College continues to provide area schools with lay teachers who have been prepared with a strong spiritual and professional foundation.

## **How this report was compiled**

The Aquinas College Annual Security and Fire Safety Report is published by the Dominican Campus Security Department to provide information on crime statistics and security-related services offered by the university in spirit of the Jeanne Clery Disclosure of Campus Security Act and Campus Crime Statistics Act, Campus Sexual Violence Elimination (SaVE) Act, Violence Against Women Act, and the Tennessee College and University Security Information Act. This booklet was prepared with information reported to the Dominican Campus Security Department. It summarizes college programs, policies, and procedures designed to enhance your personal safety while you are here at Aquinas College.

This annual report is available on the Aquinas College website  
<http://www.aquinascollege.edu/wp-content/uploads/Aquinas-College-Annual-Security-Report.pdf> A printed version is available upon request.

### **WHAT IS A CAMPUS SECURITY AUTHORITY (CSA)?**

A CSA (Campus Security Authority) is an Aquinas College employee with significant responsibility for the general safety of campus and student activities. A CSA has responsibilities under the federal Clery Act to report information for timely warnings and crime statistics. Students, staff, and faculty are required to report all *on-campus* crimes or criminally suspicious activities to one or more of the Aquinas CSAs. The CSAs are then required to report the criminal activity for statistical purposes to the Dominican Campus Security Department.

The following are official Aquinas College CSAs:

- President
- Vice President of Academics
- Chief of Security

A CSA may be contacted by calling (615)-297-7545.

### **Security on Campus**

The campus is patrolled by RSS Security (615-473-4016) business hours, 7 days a week. All officers with RSS are certified armed security officers. RSS Security Officers are not police officers. Depending on circumstances and requirements, the Metropolitan Nashville Police Department will need to be contacted for law enforcement responses (if needed) to a specific incident or if there is a need to file a police report.

The Chief of Security for the Dominican Campus plans, coordinates, and/or implements security and safety concerns, programs, and services for the overall campus.

### **Reporting Crime**

**1. If an Aquinas Community Member (student, faculty, and/or staff member) is a victim of or witness to a *non-violent crime*, the individual must notify the Campus Security Officer as soon as possible to report the following information:**

- a) The nature of the incident;
- b) The location of the incident;
- c) The description of the person(s) involved; and
- d) The description of the property involved.

**2. If an Aquinas Community Member (student, faculty, and/or staff member) is a victim of or witness to a *violent crime*, immediately call 911.** The individual should seek a safe place and state to authorities the location so that they may locate the victim to make a complete report when they arrive. In addition, the individual should notify the Campus Security Officer immediately after calling 911.

3. If a suspicious person is observed on campus, immediately notify the Campus Security Officer and report the incident.

4. Any safety hazard observed on campus should be immediately reported to the Campus Security Officer and/or CSA.

Any crime, safety incident, or suspicious activity occurring on campus will be investigated by the appropriate Aquinas College authority in relation to policy, regulations, conduct, and/or discipline. Off-campus incidents may also be investigated per policy.

Criminal investigations will be conducted by the Metropolitan Nashville Police Department. Both Aquinas College and the Metropolitan Nashville Police Department will work together within any statutory or regulatory guidelines or constraints.

## **VOLUNTARY CONFIDENTIAL REPORTING**

If a student, faculty, or staff member feels strongly about the need to report an issue in the interest of personal or student safety that is of a highly personal or sensitive nature and would

like it to remain confidential, he or she may speak with one of the official CSAs listed in this report.

Confidentiality, where applicable and in accordance with campus policy and/or state and federal statutes, will be honored in good faith as required. However, absolute confidentiality cannot be guaranteed in every instance where unforeseen circumstances degrade or undermine the reasonable expectation of confidentiality beyond the immediate control of the college administration. In addition, crime statistics (if applicable) concerning the incident must be reported to various state and federal authorities.

## **Safety Information**

Security is everyone's responsibility. While we strive to maintain a safe and secure environment at Aquinas College, there are some things you can do to enhance your personal safety.

### **Personal Safety**

- Walk or jog in groups of three or more.
- Be aware of your surroundings.
- Be aware of crimes on and around campus.
- Avoid isolated or dark areas.
- Travel with confidence and purpose.
- Do not wear earphones while walking or jogging.
- Before exiting a building or car, look around the area for anything suspicious.
- If confronted by a situation, try to remain calm.
- If it is safe to do so, try to get a detailed description of suspects or suspicious persons and/or their vehicle(s).
- Call RSS Security at (615) 473-4016 to request an officer to meet you and walk with you to or from your vehicle or next campus destination.

- Do not use ATMs (automated bank teller machines) alone, at night, or when someone suspicious is nearby.
- Avoid strangers. You do not have to stop and talk to them.
- If you are being followed, go to the nearest area of safety.
- Stay alert and plan ahead for “What if...?”

### **Residential/Workplace Safety**

- Know your neighbors or co-workers. You are the best one to determine who does not belong.
- Do not prop open exterior doors.
- When entering a building with access control in place, do not allow strangers to enter behind you.
- Always lock your door when you leave, sleep, or work late.
- If you see someone, you consider suspicious or out of place, call security immediately.

### **Property**

- Never leave your items unattended or unsecured.
- Keep a record of serial numbers and/or descriptions/photos of valuable items.
- Never leave your keys in your car or an unattended car running.

### **Safety Programs**

All new employees and students are required to complete an orientation that includes safety and security information and procedures. Prior to the start of the academic year, staff members receive updates concerning safety and security concerns. During the 2018/2019 academic year, the following programs were conducted to promote safety and security on campus:

August - General Safety and Security (New student orientation and Faculty/Staff meeting)

January – New student orientation

## **Security Access**

Aquinas College buildings and facilities are intended for use by students, faculty, staff and invited guests. Academic and administrative buildings are secured when not in use by locking mechanisms and alarm systems.

Maintenance personnel routinely address security concerns in maintaining buildings. New constructions and renovations are designed in such a way as to incorporate new security measures into the area as practical.

## **TIMELY WARNINGS**

Aquinas College provides “Timely Warnings” to faculty, staff and students when crimes occur on or near campus and pose a continuing threat to the campus community. The purpose of the warning is to enable members of the campus community to make informed decisions about their personal security, precautions they can take to help keep themselves safe, and to aid in the prevention of similar crimes.

The decision to issue a Timely Warning is made on a case-by-case basis based on the information available at the time. Factors in determining whether to issue a warning include:

- The Nature of the crime – Was it a Clery-reportable offense: Murder; Sex Offense, forcible or non-forcible; Robbery; Aggravated Assault; Burglary; Motor Vehicle Theft; Manslaughter; or Arson
- The continuing danger to the campus community – are others at risk? Is there reason to believe that there is a continued threat?
- The location of the incident - Did the incident occur in an area for which Aquinas College must report statistics?

- The disposition of the offender - Is the suspect known or unknown and still at large and an ongoing threat?

The possible risk of compromising law enforcement efforts - nothing should be included in the Timely Warning that would hinder an ongoing police investigation.

If based on all of the factors the determination is made that a continuing serious criminal threat exists, then a Timely Warning will be issued.

In addition, upon the discretion of the College President, a Timely Warning may be issued for any crime where there is a compelling need to get information to or from the Aquinas College community about a specific crime.

Timely Warnings will be issued as soon as possible after the specific event. If the incident is a delayed report (more than 24 hours) by the victim, then the time and date the victim reported the incident will also be included in the report. The Timely Warning will not identify the victim by name or address. The general description of the location may be given, for example, but not limited to, Aquinas College, residence hall, geographic location, etc. Timely Warnings will be distributed through e-mail and bulletin board postings.

### **Emergency Notification and Procedures**

If an incident and/or series of incidents are deemed a threat to the campus community have occurred, *emergency notifications* will be issued to the campus population, initially through the One Call Emergency Notification System. The decision to issue these notifications are made by Aquinas College Senior staff members. These warnings may be sent by either text, e-mail, and/or phone call. The Aquinas web page, public address systems, signage, and local media outlets may also be used. Once the threat is deemed by college administration and/or law enforcement to have dissipated, the notification will be lifted by the same means of communication.

### **Emergency Evacuation Procedures and Drills**

Periodic fire, severe weather and lock-down drills may be conducted throughout the school year.

During such a drill, act according to the emergency announced in order to be properly prepared should such an emergency occur. Follow directions broadcast through telephone and public address systems, as well as those of emergency personnel including police, fire department, and campus security authorities. Students should not leave campus during drills or actual emergency events unless instructed to do so, or unless it is a threat to one's safety to stay.

Posted at key locations in buildings are detailed procedures for a variety of emergency incidents. In addition, evacuation route and tornado shelter maps are located throughout all buildings on campus.

### **Alcohol and Drug Policy**

As required by the Federal Drug-Free Schools and Communities Act Amendments of 1989, the following constitute prohibited conduct on the Aquinas College campus or at Aquinas College sponsored activities, whether on or off campus:

1. Unauthorized distribution, possession, or use of any alcohol, prescription drug, controlled substance or illegal drug.
2. Providing alcoholic beverages to individuals under 21 years of age, or possession or use of alcoholic beverages by individuals under 21 years of age, or misrepresenting age in order to consume alcoholic beverages.
3. Unauthorized possession of an open container of an alcoholic beverage, public intoxication, operating a motor vehicle while under the influence of alcohol, or unauthorized distribution of alcoholic beverages.

In addition to imposition of disciplinary sanctions under College procedures, including suspension or separation from the College for such acts, employees and students may face prosecution and imprisonment under Tennessee laws, which make such acts felony and misdemeanor crimes.

The health risks associated with the misuse and abuse of mind-altering drugs, including prescription drugs, controlled substances and alcohol, include but are not limited to the following: physical and psychological dependence; damage to the brain, pancreas, kidneys, and

lungs; high blood pressure, heart attacks and strokes; ulcers; birth defects; a diminished immune system; and death.

The College provides referral services to students and employees, and serves as an alcohol and drug information/education resource through the Office of Student Affairs. Aquinas College will comply with any parental notification requirements as set forth in Tennessee law. For further information, contact the Vice President for Student Affairs.

### **POLICY ON SEXUAL MISCONDUCT**

#### **SEXUAL MISCONDUCT POLICY**

##### **I. INTRODUCTION**

Aquinas College is committed to maintaining an environment in which all students, staff and faculty are treated with dignity and respect, as created in the image and likeness of God. Sexual misconduct in all forms violates the sanctity of the human body, mind, and spirit and will not be tolerated within our community. Indeed, sexual misconduct is a serious violation of the standards of conduct for Aquinas College, and some forms of

sexual misconduct violate both civil and criminal law. Students at Aquinas College are responsible for being familiar with and abiding by the standards of conduct set forth herein.

## **II. JURISDICTION**

This policy applies to all Aquinas College students, and the College may initiate disciplinary proceedings for conduct directed toward a member of the Aquinas College community or someone outside the College community. Disciplinary action may be taken whether or not criminal charges are filed and without regard to whether the conduct occurred on or off the Aquinas College campus.

Any member of the Aquinas College community may file a complaint against a student for allegedly violating the sexual misconduct policy. The term “student” includes all persons (other than faculty, staff or administrators) taking or auditing courses at the College, either full-time or part-time. Persons who are not officially enrolled for a particular term but who have a continuing relationship with the College are considered students. The term “member of the College community” includes any person who is a student, faculty member, administrator/staff member or any other person employed by the College. A person’s status in a particular situation shall be determined by the Chief of Security, Director of Student Affairs, or any administrator of the College.

## **III. PROHIBITED BEHAVIOR**

Federal law requires the definition and explanations of sexual misconduct. Aquinas College strictly prohibits sexual misconduct. Sexual misconduct includes the following:

### **A. Sexual Misconduct I**

Sexual Misconduct I includes any sexual penetration (anal, oral or vaginal), however slight, with any object or sexual intercourse by a man or woman upon a man or woman without effective consent (see section IV.A for a description for what constitutes effective consent). Sexual penetration includes vaginal or anal penetration by a penis, object, tongue or finger and oral copulation by mouth to genital contact or genital to mouth contact.

### **B. Sexual Misconduct II**

Sexual Misconduct II is any intentional sexual touching, however slight, with any object by a man or woman upon a man or woman without effective consent.

Sexual touching includes any bodily contact with the breasts, groin, genitals, mouth or other bodily orifice of another or any other bodily contact in a sexual manner. Sexual Misconduct II also includes any disrobing of another or exposure to another by a man or woman without effective consent.

### **C. Sexual Exploitation**

Sexual exploitation includes any conduct in which a student takes advantage of another without his/her consent for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not constitute Sexual Misconduct I or II or Sexual Harassment.

### **D. Sexual Harassment**

Sexual harassment is any type of behavior of a sexual nature that is severe or pervasive, and that creates a hostile or abusive learning, working, or living environment, thereby unreasonably interfering with a person's ability to learn or work.

## **IV. CONSENT**

### **A. Definition**

Effective consent is informed, freely and actively given mutually understandable words or actions that indicate a willingness to participate in mutually agreed upon sexual activity. Consent may never be given by minors, mentally disabled persons, and those who are incapacitated as a result of alcohol or other drug consumption (voluntary or involuntary). It also cannot be given by those who are unconscious, unaware, or otherwise physically helpless. Consent obtained through the use of fraud or force (actual or implied), whether that force be physical force, threats, intimidation or coercion, is not effective consent. Consent is mutually understandable when a reasonable person would consider the words and/or actions of the parties to have expressed a mutually understandable agreement between them to do the same thing, in the same way, at the same time, with one another. In the absence of mutually understandable words or actions,

it is the responsibility of the initiator, or the person who wants to engage in the specific sexual activity, to make sure that he/she has the consent from his/her partner(s). Consent to some form of sexual activity does not necessarily imply consent to other forms of sexual activity. Mutually understandable consent must be obtained by the initiator at every stage of sexual interaction.

## **B. Incapacitation**

Incapacitation means being in a state where a person lacks the capacity to appreciate the fact that the situation is sexual, or cannot appreciate (rationally and reasonably) the nature and/or extent of the situation. A person who knows or should reasonably have known that another person is incapacitated may not engage in sexual activity with that person. A person's state of incapacity is a subjective determination that will be made after the incident in light of all of the facts available.

### **1. Alcohol**

Alcohol related incapacity results from a level of alcohol ingestion that is more severe than impairment, being under the influence, drunkenness, or intoxication. Incapacity may be indicated by:

- Slurred speech;
- Bloodshot eyes;
- The smell of alcohol on his or her breath;
- Shaky equilibrium;
- Vomiting;
- Outrageous or unusual behavior;
- Unconsciousness.

Two things should be noted. First, none of these indicators, except for unconsciousness, will constitute – in and of itself – incapacitation. Second, indications of consent are irrelevant if the initiator knows or should reasonably have known of the incapacity of another person.

### **2. Drugs**

There are a number of drugs that are used to incapacitate victims for the purpose of sexual assault. Two such drugs, Rohypnol and GHB (Gamma Hydroxy Butyrate), are

illegal synthetic drugs that act as powerful central nervous system depressants. The effects of these drugs can be felt within 15-30 minutes of ingestion and can cause drowsiness, confusion, reduced levels of consciousness, partial or complete amnesia, and/or seizures and respiratory distress. These drugs are commonly mixed with alcohol and given to an unsuspecting person.

## **V. REPORTING SEXUAL MISCONDUCT**

### **A. On-Campus Options**

Individuals are strongly encouraged to report incidents of sexual misconduct to the Chief of Security, the Director of Student Affairs or the Vice President for Academics, so that victims can receive help and access support services, and in order to facilitate disciplinary action against the perpetrator. The College will utilize the non-discrimination and non-harassment complaint procedure for resolving allegations of sexual misconduct. The Student Handbook provides important information about this process. Students found responsible for violations of this policy will be subject to the full range of sanctions outlined in the Student Handbook.

#### **1. Victim Advocacy**

A victim may contact the Chief of Security, the Director of Student Affairs, or the Vice President for Academics for support. Whomever is contacted will meet with students who are victims of sexual assault and provide information and support, especially in terms of directing the victim to professional resources of aid, care, and recourse both on- and off-campus.

The Campus Sexual Assault Victims' Bill of Rights was signed into law by President George Bush in July of 1992. This law requires that all colleges and universities (both public and private) participating in federal student aid programs afford sexual assault victims certain basic rights. Complaints about schools that have failed to comply with this law should be made to the U.S. Department of Education. The "Campus Sexual Assault Victims' Bill of Rights" exists as a part of the campus security reporting requirements, commonly known as the JEANNE CLERY ACT. The Bill stipulates the following:

- Victims shall be notified of their options to notify law enforcement.
- Accuser and accused must have the same opportunity to have others present.
- Both parties shall be informed of the outcome of any disciplinary proceeding.

- Victims shall be notified of counseling services.
- Victims shall be notified of options for changing academic and living situations.

## **2. Confidentiality**

Aquinas College recognizes that a student reporting an incident of sexual misconduct may desire confidentiality and may not want the College to investigate and attempt to resolve the incident. For any student who so requests, officials of the College will act with that student's request for confidentiality in mind; however, the College is legally required to investigate, to the extent possible, and cannot guarantee confidentiality if that would violate other legal obligations. The College, therefore, reserves the right to investigate and to take reasonable prompt and effective steps to end the behavior and remediate the circumstances. A student who files a complaint is protected from retaliation. A student who initially decides not to pursue the College's internal grievance procedures may decide, at a later date, to pursue these grievance procedures. Reports filed with the Office of Safety & Security will be noted in a log that is made public within two (2) business days of the date of the report. No names or other information that could reveal the identity of the individuals involved will be made public in this log.

### **a. Confidential Resources**

Counselors and priests exercising their pastoral duties are not required to report incidents of sexual misconduct between adults; thus, students seeking complete confidentiality may seek assistance from one or both of these on-campus resources.

### **b. Non-Confidential Resources**

All staff, faculty and administrators must report incidents of student sexual misconduct to the Chief of Security. Additionally, College personnel are required to report non-personally identifiable information to the Office of Safety & Security. This information is limited to the incident reported, the type of incident, and the general location of the incident. Statistics given to the Office of Safety & Security will be made available through the Annual Campus Security and Fire Safety Report located on the Aquinas College website. Additionally, the College may post warnings about incidents that continue to pose a potential threat of bodily harm or danger to members of the College Community.

### **c. Confidentiality Regarding Accused Persons**

Confidentiality with respect to a person accused of having violated the sexual misconduct policy is governed by the Family Educational Rights and Privacy Act (FERPA). FERPA provides that personally identifiable information maintained in the educational records of an institution shall not be disclosed, except as otherwise specified by law. One exception is in the case of students charged with violating institutional policy related to sexual misconduct. In such cases, the victim will be notified of the outcome of any grievance proceeding.

### **3. Other Options**

Students also may file a complaint with the Nashville Metropolitan Police Department. Office of Safety & Security will assist any student wishing to file such a complaint. A student does not need to file a criminal complaint in order to initiate disciplinary proceedings with the College, and the College may find a perpetrator responsible for violating this policy regardless of the outcome of criminal proceedings.

### **4. Resources**

The following is a list of services and agencies, and their contact information, to aid a victim, victim's friend, witness, and/or the accused in a sexual misconduct matter:

## **Hate Crimes**

The Clery Act requires reporting of incidents where the offender's bias against a person or property motivates him in whole or in part to commit the crime. This includes bias against race, gender, religion, sexual orientation, disability, or ethnicity/national origin. Incidents which fall under the Clery crimes above and thefts, assaults, intimidations, or vandalism must be reported. During 2012, 2013, and 2014, no hate or bias crimes were reported on the Aquinas College campus, on non-campus buildings or properties, or on public property adjacent to campus.

## **FIRE SAFETY**

Smoke detectors, fire alarm pull stations, and fire extinguishers are installed in the appropriate areas of all buildings and inspected by the local fire marshal on occasion. Emergency lighting (in the event of power loss) and fire doors are installed in key building egresses and stairwell foyers. Fire exit plans are posted near the exits of all rooms. In addition to the above, Seton Lodge has a sprinkler system installed as well.

Emergency evacuation drills are conducted each semester. During such a drill, building occupants are to act according to the emergency announced, in order to be properly prepared if such an emergency occurs. Follow directions broadcast through telephone and intercom systems, as well as those of emergency personnel including police, fire department, and security officers, and supervisory personnel. Students should not leave campus during drills or actual emergency events, unless instructed to do so.
